

# 2009 ANNUAL REPORT

## A LETTER FROM OUR PRESIDENT

The Island Hospital Foundation is working for the future of healthcare in our community, with support from donors and volunteers like you. For any one of us, the future could include a visit to the Emergency Department, the Intensive Care Unit, the Cancer Care Center or for Diagnostic Imaging and other services available at Island Hospital. The next life saved at the hospital could be that of a family member, a friend or it could be yours. That is why it is of vital importance that healthcare in our community is stable and secure.

2009 marked the beginning of a new chapter for the Island Hospital Foundation. Thanks to the generosity of the Justus & Jayne Schlichting Family and of Jerrel & Jan Barto, two endowments were established that will help ensure the future of healthcare in our community. Additionally,

your annual giving and the continued support of our three special events – the Gala of Hope, the Annual Golf Classic and the Celebration of Trees – allow us to improve and enhance health care for Island Hospital’s patients.

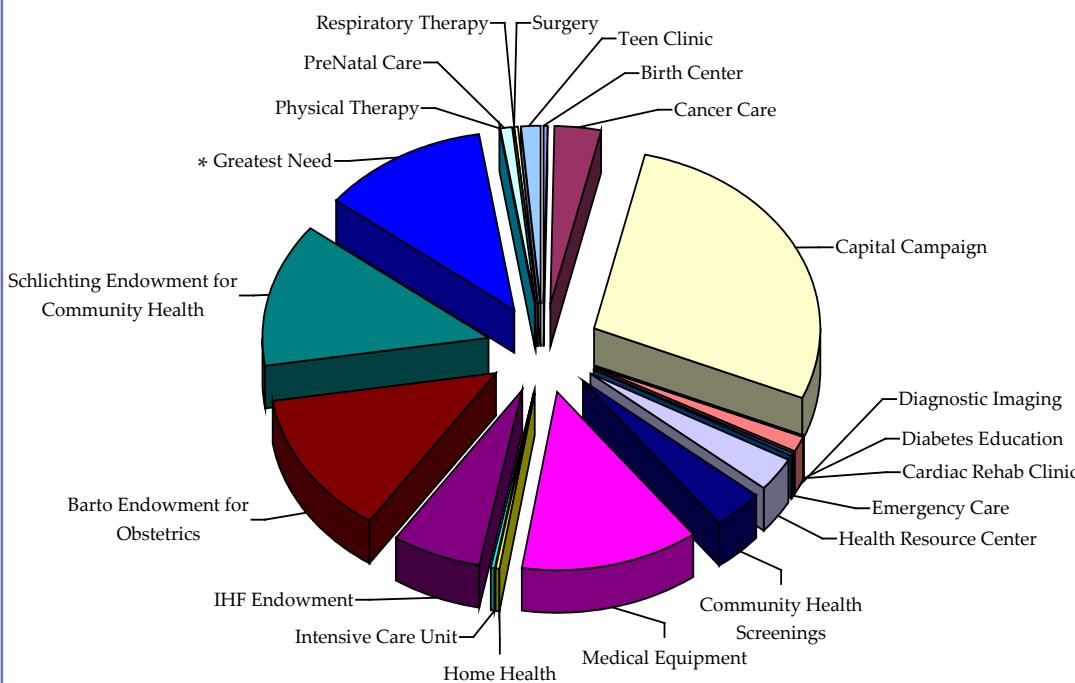

We are grateful and humbled by your demonstration of trust in our organization and your generous commitment to quality healthcare in our community. On behalf of our Board of Directors, I thank you for your support.

Sincerely,

Marv Shelby  
President, Island Hospital Foundation
