

Supporting Island Hospital and promoting quality healthcare close to home.

2011 ANNUAL REPORT

A LETTER FROM OUR PRESIDENT

With strong community support over the past year, the Island Hospital Foundation provided \$462,486 to Island Hospital in 2011 to support quality healthcare and expanded health services in Anacortes.

The Foundation benefited from a double-digit increase in annual giving and the continued success of our signature events - the annual Gala of Hope, Golf Classic and Celebration of Trees.

It is exciting to see the new Medical Arts Pavilion open to serve patients in the Merle Cancer Care Center, Physical Therapy and Rehabilitation, and Wound Care. We are pleased to have provided

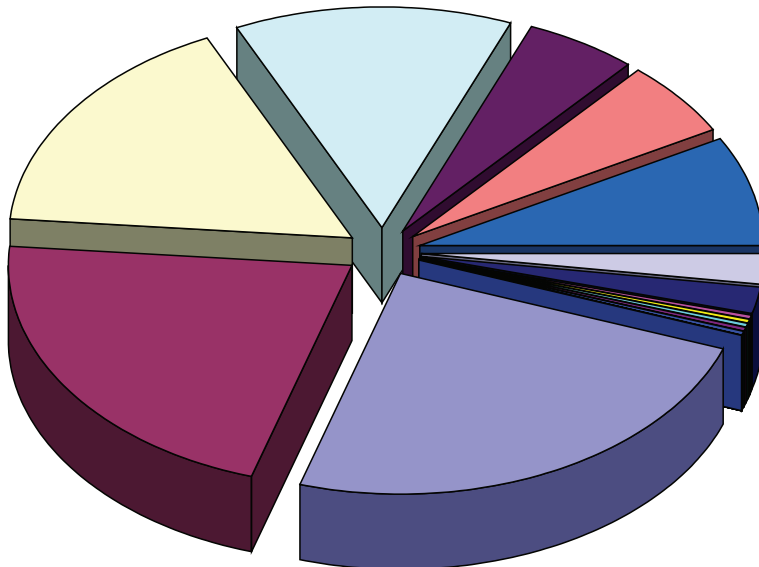

support for this effort and continue Island Hospital's fine tradition of keeping pace with our growing population and their diverse health needs.

On behalf of the Island Hospital Foundation board of directors, thank you for your expression of trust in the Foundation, and your generous contributions - both volunteer and financial - during 2011. All healthcare systems will face major challenges in the year ahead. We invite your continued participation with Island Hospital Foundation as we work together to assure quality health services for our community.

Shellie Bogosian

President, Island Hospital Foundation
